

Easter message from John!

Happy Easter! You cradle your Chocolate egg in your hands with eager anticipation, but you only know it's the **'real thing'** when you smell it and eat it. After Jesus rose and he met the disciples they knew Jesus was the **'real thing'**. They ate with him and they felt his hands and feet. He was **real!** The resurrection (says one writer) is the hinge on which the story of the world pivots. His resurrection is the ultimate authentication. God raised him from death.

So he is the **'real thing'** for us too: His teaching is the **real** way, Trusting in His death is the **real** antidote to our inability to find God. The peace and power of His Spirit is the spiritual source that we need. Chocolate is undeniably helpful, but what we actually need is the **reality** of His presence to live free and fulfilled lives. Seeking to walk humbly, but adventurously with God, blessing others, forgiving and being forgiven.

Jesus **really** has conquered death and evil. He provides a way for us to **really** defeat death too. To any who believe and accept him as Lord He gives eternal hope and certainty for a **real** future. Good will ultimately prevail.

Do come and join us at LLCC as we celebrate the Easter season and "Taste and see that the Lord is Good!" (Ps 34v8). Blessings, John

activities for older children.

Open the Book

This is a Bible Society project
which offers primary school
children an opportunity to
hear the major stories of the
Bible, from a team of Christians from local
churches, who present the stories during
assemblies. Each presentation takes 10-15
minutes and there are often opportunities for
the children to take part.

In September 2017, a team was set up, with
members from LICC, St Asaph Parish Church,
Grace Church, Denbigh and Tremeirchion
Church. On alternate Wednesdays they are
privileged to go into St Asaph VP, Ysgol Trefnant
and Esgob Morgan while preparing and
rehearsing the other weeks. Please pray for the
team and the children and staff that they
meet.
