

Message from John

A posture of Grace

We're inviting everyone to find out about Jesus at our Alpha course. In the Bible, we see Jesus transforming the lives of thousands of people across all walks of life. Whoever they were and whatever they'd done, they knew that they could approach Jesus in repentance and faith. That they would be received and renewed, rather than being condemned. The Grace of Jesus says, "There's something beautiful about you" as well as saying, "There's something better for you". Jesus spoke the truth with authority but only ever in the context of a perfect and pure love. He adopted a posture of Grace.

The Bible says in Ephesians 2v7 that we have the 'riches of God's Grace' through the price that Jesus paid for us on the cross. We too have this amazing offer of Jesus who presents to us in this posture of Grace. He gently bids us in truth and in love to come and to know our loving God and to be transformed.

We ourselves also choose a posture in which to present ourselves to others. So in humility, recognising that we have received the Grace of Jesus too, let's present to all whether inside or outside of the church in a posture of Grace. Let's present Jesus.

Peace and Blessings, John

Eph 2v7: in him we have redemption ... in accordance with the riches of God's Grace.

Clean Water Project

On 30th August at 8pm I left for Fort William with 20 others from my Bootcamp and we travelled through the night. At first light, at 5.30am we started the ascent and 7 hours later we had made it up and down. A lovely sunny day but hard work especially the descent.

We moved on to Carlisle where we spent the night. The next day we went up Scafell Pike in the west of the Lake District. Although this is less high the poor weather made it a challenge. The journey home to Wales was a bit torturous but we got there by 9pm. By 7am the next morning we were at Pen Y Pas ready for Snowdon. The weather for this walk was the worst of them all with almost constant rain. We finished the descent by about 1.30pm and the sense of achievement was fantastic. Thanks to all who gave money - it looks as though about £330 will be raised for the

Clean Water Project

which is wonderful.
